The Junior Travel Ambassadors

# Who are the JTAs?

Junior Travel Ambassadors are Year 5s who encourage the GCA community to travel to school safely and actively. We are helped by Maree from Cambridge County Council.

# Why Do We Need JTAs?

To help pupils travel to school  
independently  
and to care for the environment.  
They work alongside Mrs Harman and  
the Eco Committee.

# What do JTAs do?

To carry out assemblies, conduct surveys, give classroom talks, help complete the school travel plan and run competitions and special events each year.

# When do the JTAs meet?

Once a week on Friday lunchtimes.

# Be Bright!

**Let's all do the  
Be Safe Be Seen  
Bootcamp Song!**

When I'm walking down the road,  
Gonna crack the Highway Code;

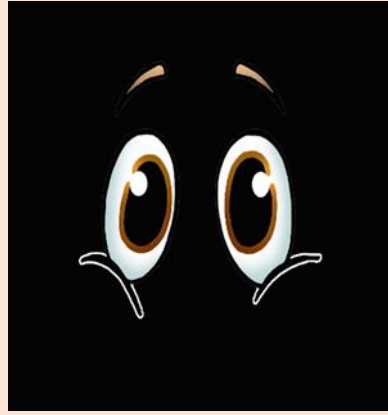

Traffic coming will see me,  
My coat's as bright as it can be;

Fluorescent may be hard to spell,  
But it sure has kept me safe and well;

Stickers on bags reflect the light,  
A shining example when it's night;

Don't just wear what's dark outside  
Drivers aren't all eagle-eyed

So if you want to do what's right  
Show the world that you are bright!

CLEAN AIR

Let's get active, help the environment, have fun!
