

Admissions

Policy & Procedures

Kids' Club is a school provision for out of school care for children attending Godmanchester Community Academy and Godmanchester Bridge Academy. The club offers care before and after school, school holidays and professional days

Priority considerations for admission

Children attending either the Community or Bridge Academy will be given priority in the following order:

- ❖ If they have working parents
- ❖ If siblings are already attending
- ❖ Single working parents
- ❖ Looked after children

During the school holidays we do admit children who do not attend either school, with priority given to GCA or GBA.

There are certain things which will be considered when deciding on whether to offer a place at the club. These considerations are:

- ❖ Availability of places. The welfare of the children in our care is paramount so we must ensure that we have the right staff/child ratios (1:8 under 8, 1:10 over 8)
- ❖ The date on which the Club received the waiting list
- ❖ Whether the club can provide the correct facilities for the welfare and needs of the child

For further details about the club please see Terms and Conditions
