

A Successful education is a result of a strong partnership between home, school and child.

To achieve this we expect all partners to make the following commitments:

School

To achieve our aims and support this partnership the school will:

- Offer children a broad, balanced and stimulating curriculum to meet individual needs so that each child fulfils their potential.
- Value all children, parents and staff fairly and equitably regardless of gender, race, disability or faith.
- Provide a safe, secure and welcoming environment.
- Be accessible to parents to discuss pupil progress, welfare or any other concerns.
- Keep parents informed of their child's progress, attainment and well-being.
- Inform parents of concerns or problems that affect a child's work or behaviour.
- Keep parents informed about school life through regular newsletters and notices about special events.
- Provide appropriate homework.

Parent / Carers

To support a successful working partnership, parent/carers agree to:

- Ensure that their child always attends school and arrives in time equipped for the day.
- Notify the school on the first day of absence.
- Make proper arrangements for supervision at the end of the day.
- Inform the school of any concerns that might affect the child's work or behaviour.
- Support the behaviour policy and Uniform policies.
- Attend parent consultations and any meetings arranged with the school.
- Encourage our child to read at home.
- Create the best possible conditions for homework to be completed.
- Show respect toward staff and expect that all issues can be resolved in a civil manner.
- Keep the school up to date with phone numbers and other contact details.

Child

As part of a successful partnership pupils agree to:

- Make every effort to work to the best of our ability.
- Attend school and be on time.
- Be caring and considerate of others.
- Have respect for their surroundings, school equipment and other people's belongings.
- Keep the school rules and act safely.
- Remember to bring books, equipment and PE kit to school.
- Complete homework neatly to the best of their ability and return it when required.
- Tell a member of staff immediately if I am worried or unhappy.

This agreement demonstrates and reinforces the strong partnership between home and school.
