What is the Parent Teacher Association (PTA)?

The PTA is a registered charity that includes parents and teachers. PTAs are best known for their fundraising work, but they have a useful social function too. Fundraising events provide an opportunity for parents, staff and pupils to get together. As a parent you are automatically a member of the PTA, it is for you and your children.

How does the PTA raise money?

There are a variety of fundraising events that take place each year including: Kids Discos (3 times a year), Individual School Photographs, Cake sales, Summer Fete, Magician for new Foundation children, Christmas Hamper Raffle and Children's own design Christmas cards.

How are funds spent?

In the last year the PTA have funded the following: £11K towards the KS2 trim trail, £7K towards updating the foundation playground. Each year group also received a contribution to use as they wish. Our future plans will focus on purchasing books and contributing to a much bigger project of a library.

Getting involved

Come along to a PTA meeting! The next one is this Wednesday 12th September in the staff room at 7:30pm. You don't have to be a committee member, you could simply offer your ideas or offer half an hour to help at one of our fundraising events. Being part of the PTA will help you meet other parents and feel part of the community of the school. By getting involved in some shape or form you will be making a real difference to your child's new school.
