

# Year 1

# History: Roman life (half term)

## Learning to Recap (Year 1):

- The Roman Empire controlled countries including Spain, France, Britain and Greece.
- The Romans had a powerful army because it was well organised and had good weapons and armour

## New Knowledge and Vocabulary

Houses and villas	Only rich Romans lived in villas made of stone. Most people in Roman Britain lived in houses made of wood and thatch.
Roman foods	The Romans brought many new foods to Britain. They include - <ul style="list-style-type: none"><li>• Grapes</li><li>• Peas</li><li>• Celery</li><li>• Cherries</li><li>• Leeks</li></ul>
Roman baths	The Romans built over 900 baths in Britain. People could get clean, relax and talk to friends in the baths. The city of 'Bath' is named after its Roman bath.
Roman roads	The Romans built over 9,000 roads! They were often straight so that it was quick and safe to travel. Many of them still exist today. Ermine Street is one of them.

An example of a Roman bath

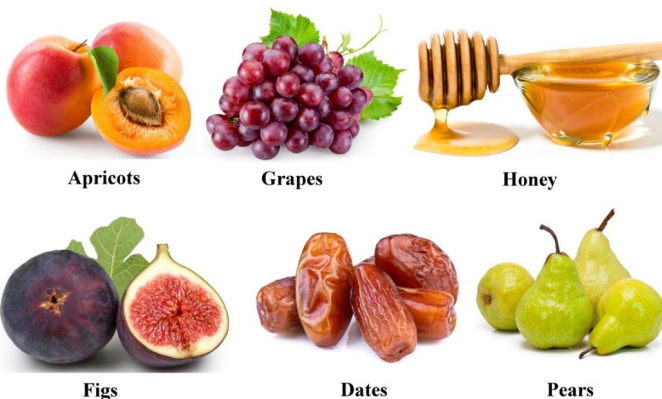

Roman roads were built **because...**
