

# Godmanchester Community Academy

**Do you have a child starting school in September 2024?**

**We would like to invite you to our open evening on:**

**Monday 16th October**

**5-6.30pm**

We understand that starting school is a big step and may feel daunting. To enable you to feel confident in selecting GCA as the right school for your child, we would like to give you the opportunity to see and hear what makes our school an exciting and ambitious learning environment. Tours of the school will be lead by our Year 6 pupils.

**No booking required**
