Little Blossoms Craft Club at
Godmanchester Community Academy.

Aimee & Louise are both local mums from Godmanchester & deliver lots of craft based wellbeing workshops. We see first hand the positive effect crafting has as a form of therapy & relaxation.

We have build an extensive programme for the sessions which includes:

Indian Block Printing
Cross Stitch
Decopatch
Air Dry Clay Stamping
Wet Felting
Among lots of other crafts!

Each week, your Children will have the opportunity to create pieces which can be completed in one session or sometimes across 2/3 sessions so they have a steady flow of work coming home

**Sessions are run on Thursdays
